

IMPORTANT: PLEASE KEEP FOR FUTURE REFERENCE. READ THE INSTRUCTIONS CAREFULLY BEFORE ASSEMBLING THE CRADLE!

Valid from 04-2010

If your ceiling is higher than 2.40 m you can tie an extra rope between the ceiling and the spring.

Warning!

Read the product conditions prior to use on www.hanging-cradle.com.

Use of the Extra rope: the Extra rope should only be used for hanging the Kindekeklein cradle. The cradle is only to be used with a maximum weight of 10 kilo. Always use the safety line included with the cradle and apply this safety line as shown in the picture below.
